

Introducing our new Difference Card Mobile App

Launching October 16, 2024!

New Difference Card Mobile App!

- Members can now access their Difference Card benefits accounts using the same username and password on the Difference Card Member Portal website and Difference Card Mobile App .
- The new DC mobile app will have the same look and feel as the DC Member Portal website, creating a more consistent design!

Member Action Needed!

DC Mobile Application Update

To access the new mobile app, Difference Card members will need to update their DC Mobile Application

New credentials needed for DC Mobile App login!

Members who are using our current mobile app but **have not** registered on our DC Member Portal website, will be **required** to create **new login** credentials to use the new mobile app.

To do this, members can simply click **'Sign Up Now'** and follow the onscreen instructions.

Members who are registered on our DC Member Portal website can access the new mobile app using their **current** DC Card Member Portal website credentials.
